A 12th grade student on mission in Belize

Life is hard, but God is good!

We are glad you chose to worship with us at Asbury, and trust you will enjoy the service and be encouraged in the Lord! As you gather to worship today, we would encourage you to think on the words which declare "God is good!" Sometimes, we lose our focus on Him and listen to the voices that say "Life is hard," then we walk out wondering why our needs weren't met during the service.

We must remember and believe at all times, God is good! Even during those tough moments, God's purpose will be realized if we simply TRUST Him! Too often, we have more trust in the pew we are sitting on to hold us up than we do in God!

While it may seem impossible, we encourage you to give your problems and insecurities to the Lord today, and in exchange take time to realize His goodness!

Current Sermon Series

April 10—The disciples naturally doubted as there was no historical precedent for what they were experiencing. Jesus met them in their doubt and offered physical and foundational evidence—opening their minds to fully understand God’s big story and the words written over multiple millennia that hinted at and predicted Jesus’ death and resurrection, along with the relationship among these events, human sin and the hope of eternal life.
