

Flying High at VBS!

VBS was so much fun for all of our kids. Our halls were filled with excitement and laughter. You should have seen the Oklahoma memorabilia that filled this church! We had a mini Golden Driller (replica) on loan from the Tulsa Air and Space Museum, a real teepee, covered wagon, oil derrick, pictures of buffalo, "amber waves of grain," and even the Catoosa blue whale made an appearance.

We had more than 850 children. The Sanctuary was rockin' with an original song written for VBS by Chris Cleveland from Stars Go Dim.

We are believing for a huge spiritual impact because our mission here at Asbury is helping others follow Jesus.

New Sermon Series Starting July 3

What to Do When You Don't Know What to Do

In this five week study from the book of Proverbs, King Solomon offers mic-dropping wisdom 140 characters at a time. Solomon's words are so simple that people often overlook them—but making complex ideas simple was his inspired genius. Proverbs gives us Solomon's brilliant road map for life—principled wisdom that helps us know what to do when we don't know what to do.

Notes:

Current Sermon Series

June 26—Volume measures loudness. Decibels measure intensity. If there is one psalm that captures our life with God in volume and intensity, this is it. It begins and ends with God's majesty. Sandwiched in between is David's amazement over God's sovereign order of creation and praise for His astounding endowment of the human race with "glory and honor." Who are we that God would be mindful of us? When we consider the reality that God would make us, love us and save us—we are compelled to raise our voices and sing, "Oh Lord, our Lord, how majestic is your Name in all the earth!"
