

An excited biker at the first-ever Asbury in the Park concert gets a helping hand in the bike parade.

Where the spiritual rubber meets the road.

Welcome to Asbury! No matter your age, we have a place for you. We value the experience of older adults as much as the energy of children and students, and we know that every person has a God-given purpose in the Body of Christ.

Our mission is to help you discover that purpose and develop your full potential in Christ. With such a huge variety of opportunities to get involved, we know you'll be able to find a place that's just right for you! Check out www.asburytulsa.org to learn more.

Announcements

Good Faith LIVE Sunday Evening, August 7 6 - 7:30 pm in the Sanctuary

(Admission for Good Faith Live is free and open to the public. Invite a friend!)

Everyone is freaking out about the state of our country and our world, and it seems like the church is losing. David Kinnaman, best-selling author and Barna Group president, and Gabe Lyons, founder of Q Ideas and co-author (with Kinnaman) of "Good Faith," will show us how this isn't all bad news and that Christians have been through this kind of thing before.

Good Faith Live will help you to:

- Respond with compassion, clarity and confidence to the most toxic issues of our day
- Know what you believe and why it doesn't make you a judgmental or extreme person
- Stop being afraid to talk about what you believe and start having meaningful conversations about tough issues
- Understand the heart behind opposing views and learn how to stay friends across differences.

David Kinnaman

Gabe Lyons

Good Faith books will be available for purchase on the mornings of July 31 and August 7 and at **Good Faith Live**. Books cost \$15 for one, \$25 for two, or \$55 for five. Kinnaman and Lyons will be available to sign books after **Good Faith Live**.

Sunday Morning Worship 9:15 am and 11 am, August 7

On Sunday morning, August 7, David Kinnaman, will be kicking off our new sermon series called **Outsiders**, a guide to faithful living when culture thinks we're crazy. In the chaos of an election year and with rapidly shifting social values, Kinnaman will share reasons why Christians should be more hopeful and courageous than ever, based on groundbreaking research, thousands of interviews and conversations with cultural and church leaders.
